Section A

Please **tick** to assess each Umpire under these seven headings.

In assessing, remember that when asked to make a decision, if a doubt exists in the Umpire's mind, then the benefit of that DOUBT must always be given to the batsman. This 'benefit' should not necessarily be seen as an error.

As a guide, a mark of **5** is average and should be the starting point. A mark above 5 ranges to **9** for excellent and a mark below 5 indicates a less than satisfactory performance. **1** is very poor.
